Face of the single-hole model

Face of the two-hole model

## Notes

1. Material: cast brass; plate and stem in one piece
2. Single-hole model: M10 through thread; two Ø3 holes for nailing to the formwork
3. Two-hole model: two M10 threads about 22 deep, 40 apart, and an M10 thread at the stem end
4. The earth symbol and the KALOT name are engraved on the face
5. We keep improving our products, and some dimensions may be updated; please confirm final dimensions with our specialists before ordering.

This document is not contractual; we may update product design, dimensions, weights and images without prior notice.
