KALOT GROUP · TECHNICAL ILLUSTRATION · NOT TO SCALE

3. Two cable lugs

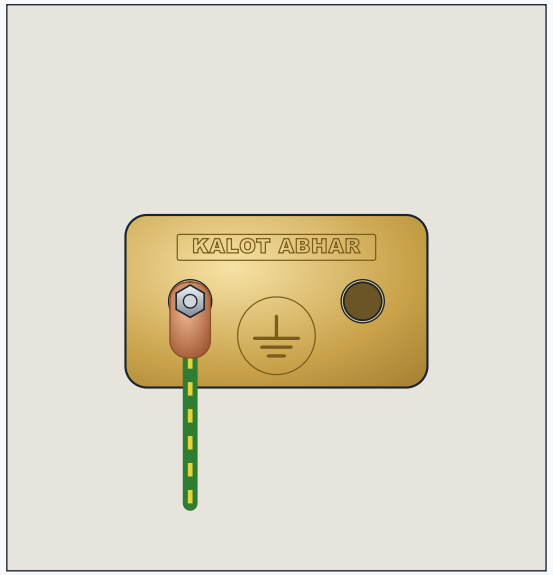

Two conductors, for example the earth bar conductor and the lightning protection down conductor, each on its own hole.

2. Cable lug and tape

Earth conductor cable lug on one hole and bonding tape on the other.

1. One cable lug

Earth conductor with cable lug on one of the two holes; the other hole stays sealed.

Both holes have M10 threads; fix the cable lug or tape with a stainless steel bolt and washer and tighten the bolt to the manufacturer's instructions.
