Galvanised conductor-to-conductor cross clamp exploded view

Not to scale

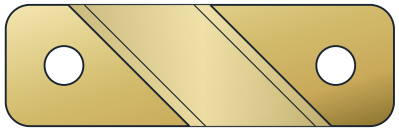

Exploded view (front)

Top plate (from above)

Bottom plate (from above, reversed)

The two plates are identical; the bottom plate is fitted upside down so the grooves cross at right angles over the crossing.

Material	Quantity	Part	No.
Zinc-coated steel	2	M6 × 25 hex bolt (ISO 4018)	1
Zinc-coated steel	2	M6 hex nut (ISO 4033)	2
Galvanised steel	2	80 × 25 pressed plate with diagonal groove	3

Complete set weighs 83 g; each plate 32 g.

Our products are continually improved and some dimensions may be updated; please confirm the final dimensions with our specialists before you buy.

This document is not contractual; we may update product design, dimensions, weights and images without prior notice.
