Front view

Two cast brass plates: the upper plate with two half-round grooves and curved edges, the lower plate with two shallow grooves. Two hex bolts with a washer under each head, on the centre line between the two grooves, and a nut under the lower plate.

Dimensions for each code are given in the code table. We continually improve our products; please confirm final dimensions with our specialists before purchase.

This document is not contractual; we may update product design, dimensions, weights and images without prior notice.
