Two-piece stainless steel conductor-to-wall clamp: installation schematic

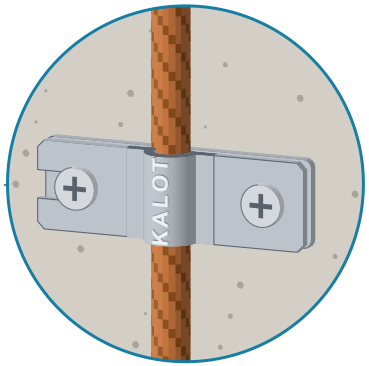

KALOT technical illustration · illustrative layout · not to scale

SS · 50 / 70 mm²

KALOT GROUP · TECHNICAL ILLUSTRATION · NOT TO SCALE

Detail B: two-piece stainless steel clamp on the down conductor

1. Roof conductor on the parapet
2. Air rod on its base
3. Round down conductor, 50 or 70 mm²
4. KALOT two-piece stainless steel clamp (this product)
5. Test joint / disconnector; for disconnection and measurement
6. Earth electrode / earthing system

The conductor route, clamp spacing and test joint location are set by the system designer; this figure shows an illustrative layout.

The clamps on the right-hand down conductor are marked in blue for clarity.

This document is not contractual; we may update product design, dimensions, weights and images without prior notice.
