Stainless steel earth rod technical drawing

End views, centre line and section of the joint between two earth rods

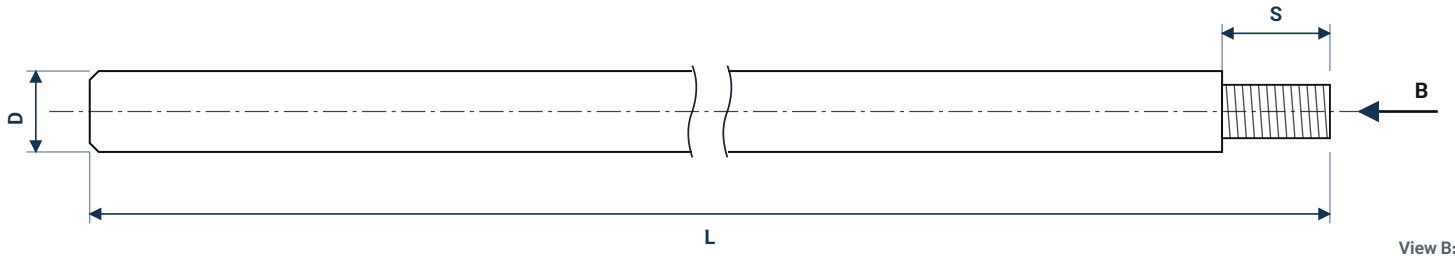

STAINLESS STEEL EARTH ROD · AISI 304L / 316 · Ø16 · Ø20 · M10

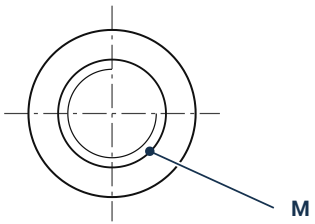

KALOT GROUP · TECHNICAL ILLUSTRATION · NOT TO SCALE

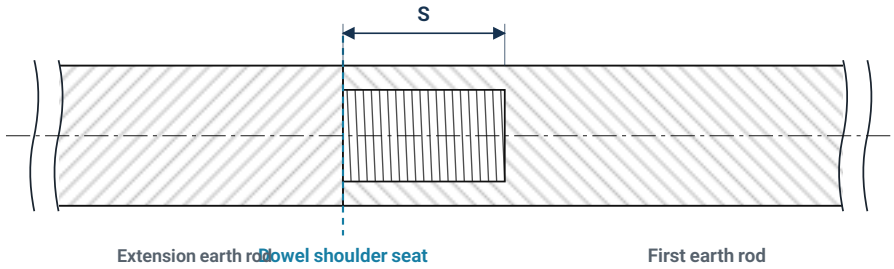

View A: top end of the first earth rod

View B: integral dowel of the extension earth rod

Section C: joint between two earth rods

The extension earth rod's integral dowel screws fully into the first earth rod's internal thread until its shoulder seats on the first earth rod head.

Dimensions in mm.

We keep improving our products; please confirm final dimensions with our experts.

This document is not contractual; we may update product design, dimensions, weights and images without prior notice.
