AutoCAD drawing of the one-piece conductor-to-structure clamp

KALOT Group manufacturing drawing · not to scale

Three-dimensional view installed on a steel plate

Front and side views lettered L, W and H

Copper conductor between the brass plate and the structure plate; the bolt passes through the plate hole.

Conductor and bolt sizes for each size are given in the dimensional drawing table.

This document is not contractual; we may update product design, dimensions, weights and images without prior notice.
